

include/ds/doubly_linked
_list.h

```
graph TD; A["include/ds/doubly_linked_list.h"] --> B["cstdint"]; A --> C["iterator"];
```

A diagram showing a header file `include/ds/doubly_linked_list.h` at the top. Two blue arrows point downwards from this header file to two separate boxes below it. The left box contains the text `cstdint` and the right box contains the text `iterator`. This indicates that the header file includes these two components.

cstdint

iterator
